

## Preventative Maintenance Project Fact Sheet

Centennial Water and Sanitation District is currently working with a contractor, Blackeagle Energy Services, on preventive maintenance work in the open space north of Highlands Ranch Pkwy. Between Venneford Ranch Rd. and Windsor Way. This work will require one excavation site and will have low impact on the community. The work will begin November 30 and is scheduled to be complete by the week of December 5, weather permitting.

This project location is shown on the map below. For more information, please call 303-791-2789, ext. 3427.
