

2020 Rate Increases

CENTENNIAL
WATER AND SANITATION DISTRICT

HIGHLANDS RANCH
Metro District

Centennial Water and Sanitation District has been the water and wastewater provider in Highlands Ranch since development of the community began in 1981. Centennial Water serves more than 100,000 people in its service area which includes Highlands Ranch, Mirabelle Metropolitan District (Mirabelle), and Northern Douglas County Water and Sanitation District.

In 2017, Centennial Water began the first major infrastructure project at the wastewater treatment plant to comply with new federal and state regulations and to address aging infrastructure. Rate increases in 2019 and 2020 will help to fund these improvements.

Proposed rate changes for a typical single family annual bill are estimated to increase **6%** from **\$968** to **\$1,026**.*

*Includes water, wastewater, stormwater and streetlight fees.
