

CENTENNIAL
WATER AND SANITATION DISTRICT

POSITION ANNOUNCEMENT FIELD OPERATOR

Centennial Water and Sanitation District serves over 95,000 customers in the community of Highlands Ranch, CO and adjoining portions of northern Douglas County. Centennial operates a complete water and wastewater utility including surface-water reservoirs, treatment facilities, transmission, distribution, storage, and wastewater collection system.

Duties include performing a variety of tasks, skilled and semi-skilled necessary to ensure the efficient and effective operation and maintenance of all field facilities, including water/wastewater pump stations, well pumping – ASR injection, groundwater treatment plants, and both raw and potable water storage reservoirs.

Desired applicants will have experience with industrial / mechanical equipment such as pumps, valves, piping, HVAC, forklifts, personnel lifts, and general knowledge of building maintenance. A High school diploma or GED equivalent is required. A Colorado Driver's License and acceptable motor vehicle record are also required. Additionally, applicants are encouraged to obtain a Colorado Commercial Class A Driver's License with Hazmat and Tanker endorsements. Having a Water-D, or Distribution-1, or Collection-1 is required with in one year of employment.

Rotating "on call" shifts are required for this position and applicants must be able to respond to emergency calls within approximately thirty (30) minutes of Highlands Ranch.

Hiring salary range is \$24.24 to \$30.55 per hour. Salary is commensurate with experience and qualifications.

Pre-employment drug screening and background checks, including driving record, will be conducted.

Applications will be accepted until position has been filled.
